

BELONGINGS LIST

WHAT TO BRING:

Seasonal Clothing for about a week - we have laundry facilities, including soap available

Shoes or boots that are comfortable for walking, and that are warm for winter

Spending Money (Master Card or Visa encouraged) for a small store we have on the premises (to purchase toothpaste, stamps, deodorant, mouthwash, etc., if you run out of what you bring or forget)

Two bath towels and wash clothes

Personal care items (shampoo, conditioner, toothbrush, toothpaste, soap-- please note, these items should not contain alcohol)

Alarm clock (no radio)

Cigarettes (in a sealed carton, or unopened packs)

Any and all prescribed medications in the original bottles, enough for a 3-4 week stay

PLEASE DO NOT BRING THE FOLLOWING ITEMS:

Alcohol or drugs or over the counter medications

Any clothing item that advertises drugs or alcohol

Candy, gum, soda, food or snacks of any kind, as well as products containing caffeine

C.D. players, radio, pager, cell phone, walk-man or musical instruments

Any personal care item that is in an aerosol can, i.e., no hair spray at all, roll on deodorant

No personal care items containing alcohol, i.e., mouthwash, perfume, cologne aftershave, nail polish or nail polish remover

No bedding (no pillows, no blankets, no quilts or stuffed animals)

No smokeless or chewing tobacco

No pornographic material

No weapons, including pocket knives, or anything that could be used as or mistaken for a weapon, i.e., knitting needles, craft products, scissors, etc.

No halter tops or swimsuits

No body powder

No excessive items of jewelry

Your belongings will be searched upon admission. If any of the items in the 'do not bring' list is found, we will keep them until discharge. After admission, if any drug paraphernalia is found on your person or in your belongings, you may be discharged immediately.
